BESAFE – THE STYLISH SOLUTION FOR OPTIMAL HYGIENE

Health in the workplace is a major priority for everyone. **BeSafe wants to do its bit to restart your retail outlets, showroom, company or organization as smoothly as possible.** To further contain the corona virus, disinfectant gel, mouth masks and gloves may (for a while) become standard attributes.

BeSafe ensures that all this protective equipment is **grouped into one totem**, accessible to everyone. **Packed in a 'stylish jacket'** this is the ideal element for your company's entrance hall, hospital, residential care center, shop or showroom. After all, looks are everything!
Available on request in any RAL colors.
